When the next page displays, start your search by selecting **Washington Apple Health**.

The screenshot shows the Coordinated Care website interface. At the top left is the Coordinated Care logo. To the right are navigation links: Home, Find a Doctor, LogIn, Contact, and a search bar. Below these are accessibility options: Contrast (On/Off), font size (a a a), and language. A green navigation bar contains three tabs: FOR MEMBERS, FOR PROVIDERS, and GET INSURED. The main content area is titled 'FIND A COORDINATED CARE PROVIDER' and includes a 'Report a Problem' button. The 'Find a Coordinated Care Provider' section is highlighted with a green border and contains three buttons: 'Washington Apple Health' (green), 'Ambetter from Coordinated Care' (pink), and 'Find A Provider - Helpful Tips' (blue). Below these buttons is text providing contact information for Member Services and a link to Hospital Compare. To the right, the 'Find An Apple Health Vision Provider' section is shown, featuring a 'Search' button. A green arrow points from the left towards the 'Washington Apple Health' button.

To find a provider near where you live, either click on **Use My Current Location** or enter your **Address, Zip code** or **County**. You can select either English or Spanish in the top right corner.

After the next page is fully loaded, you can use the **'Search'** feature to find a provider, hospital or clinic. You can also select **'Choose a Category'** to search options in your area. Categories include Medical Professionals, Medical Facilities, Behavioral Health, Vision, Dental, and Pharmacy & Medical Supplies.

If you select a 'Category', you can narrow your search further on the next page. For example, selecting the '**Medical Professional**' category allows you to search for '**Primary Care**' professionals specializing in '**General Practice.**' You will only see Providers with this Specialty in your results.
