

# Provider Secure Portal

## Quickly Access Patient Information

Coordinated Care is your partner in providing the best care for your patients. We want to help you and your staff provide a higher level of service with instant access to your patients' information.

### USE OUR PROVIDER PORTAL TO:

- Check patient eligibility
- Confirm patient PCP
  - If it is incorrect, have your patient call us to update it!
- View any patient gaps in care
  - If a patient is missing preventative services, offer those services during their appointment
- Submit and manage claims
- Submit prior authorizations
- And more!
