What We Do Best: Tackling Washington's Top Health Priorities

We design innovative programs, solutions and support systems that take a whole-person approach to care: breaking down barriers, expanding access to care, and improving health outcomes for all Washingtonians.

FOOD SECURITY

- Invested **over $2.6 million** in food security initiatives since 2020
- Launched Coordinated Care Harvest Bucks™ — the **first** Apple Health fruit & vegetable prescription program
- Delivered **nearly 23 million meals** through our One Million Meals campaign

FOSTER CARE EXCELLENCE

- The **only statewide health plan** serving Washington's child welfare population
- **Championed legislation & collaborated with state partners** to remove barriers to care and strengthen the system
- Launched a statewide network of trauma-informed **Foster Care Centers of Excellence** in every region across Washington

WORKFORCE DEVELOPMENT

- **Spearheaded a community scholarship program** to support 1,250+ first-generation, underrepresented students pursuing healthcare careers
- **Invested $1.3 million** in the Washington State Opportunity Scholars program
- Distributed **$1.4+ million in funding to build capacity** in rural regions

HEALTH EQUITY & INNOVATION

- The first Apple Health plan to offer **24/7 virtual doula services**
- **Dedicated Chief Health Equity Officer** and cross-department team focused on addressing the state's health disparities
- Focused directly on **addressing social drivers of health** — like education, food, transportation, and housing

Coordinated Care has invested over **$8.6 million with more than 150 organizations** to address social drivers of health, equity, and capacity building.

Building a Healthier Washington Together

Reinvesting in the communities we serve is part of our culture. We go above and beyond traditional sponsorships, viewing partner projects as opportunities to ignite systemic change, pilot new innovations, and improve quality of care with organizations across Washington.
