

PREFERRED DRUG LIST (PDL) CHANGE REQUEST

NOTE: Complete this form in full. Incomplete forms will not be presented to the Pharmacy & Therapeutics Committee.

Brand Name(s): _____ Generic Name: _____

Dosage Form(s): _____ Dosage Strength(s): _____

Therapeutic Application(s): _____

Reasons for Addition to the PDL: _____

Documented advantages of current Preferred Drug List products (list studies):

Note: References from sources that are considered free of drug company influence are given highest consideration (e.g. The Medical Letter, peer reviewed journals and guidelines developed by medical specialty organizations). References from journal supplements, isolated clinical research, clinical studies involving small numbers of patients, studies that were poorly designed to demonstrate both safety and efficacy, or studies that are controversial and inconclusive when weighed against other research will generally **not** be considered.

1. _____

2. _____

3. _____

4. _____

Preferred Drug(s) this product will replace: _____

Disclaimer:

Please list all drug companies with whom you have had a financial relationship, either directly or indirectly, during the **past 5 years**. This includes but is not limited to speaker's fees, speaker training, consultancies, grants and awards, "free" drug trials, research money or quid pro quo items such as computers or electronics, trips, and recurring meals or sponsorships. This does not include stock ownership. You may attach additional pages for complete disclosure.
