

Coordinated Care Specialty Pharmacy Program (Provider)

Coordinated Care works with specialty pharmacy providers to provide biopharmaceuticals and injectables to our members. The preferred specialty pharmacy provider is AcariaHealth.

Prescribers can submit requests for specialty medications to Coordinated Care by filling out the [Specialty Medications Prior Authorization Form](#) available on the Coordinated Care website. Follow these guidelines for efficient processing of a specialty medication requests:

1. Complete the Coordinated Care Specialty Medications Prior Authorization Form.
2. Fax the completed form to AcariaHealth at 1-855-217-0926.
3. If the request is approved, US Scripts/AcariaHealth will notify the prescriber by fax.
4. If the request is incomplete or does not meet criteria, US Scripts/AcariaHealth will notify the prescriber by fax.
5. For urgent or after-hours requests, providers can contact Coordinated Care by phone at 1-877-644-4613.

Below is a list of products that AcariaHealth can provide to Coordinated Care members. Due to changing market conditions, this list is not all inclusive.

Prescribers can submit requests to use their own stock of biopharmaceutical products by filling out the [Biopharmacy/Buy-Bill Prior Authorization Form](#).
