Find a Doctor Step-by-Step Guide

On the CoordinatedCareHealth.com home page, click on either of the Find a Doctor links.
When the next page displays, start your search by selecting **Washington Apple Health**.
To find a provider near where you live, either click on **Use My Current Location** or enter your *Address, Zip code* or *County + State*.
After the next page is fully loaded, click the **Quick Name Search** option to search by entering the Practitioner or Provider Name.

Enter the **Practitioner** or **Provider Name** and click **Search**.
Click the **Detailed Search** option if you are looking for a doctor, hospital or specialist.
Click on **Type of Provider** to find Primary Care Provider, Hospital, Dental, Specialist, Behavioral Health, Vision, Clinic, and Pharmacy options.
Choose **Ancillary** and the **Specialty** when you are looking for laboratories, durable medical equipment, home health, or other types of providers.
When you click on **Additional Search Options**, you can narrow your search by choosing such options as the doctor’s gender, languages spoken, and other preferences. You can also select to view only those providers who are accepting new patients. After you are done entering all search options, click **Search** at the bottom of the page.
A new page will load with a map showing the providers that fit your selections. You can also narrow down your search using a filter. To learn more about one of the listings, click on the blue bolded name.

A new page will load with more information about your selection. You can also switch addresses to see more locations for the provider.
To print this information, click the **printer icon/button** underneath the map. Then follow the normal printing process for your computer.
