Clinical Policy: Diclofenac (Cambia, Flector, Licart, Pennsaid, Solaraze, Zipsor, Zorvolex)
Reference Number: CP.PCH.28
Effective Date: 09.01.20
Last Review Date: 11.20
Line of Business: Commercial, HIM

See Important Reminder at the end of this policy for important regulatory and legal information.

Description
The following are nonsteroidal anti-inflammatory drugs (NSAIDs) requiring prior authorization: diclofenac epolamine topical system (Flector®, Licart™), diclofenac potassium (Cambia®, Zipsor®), diclofenac sodium (Pennsaid®, Solaraze®), and diclofenac (Zorvolex®).

FDA Approved Indication(s)
- Cambia is indicated for the acute treatment of migraine attacks with or without aura in adults (18 years of age or older).
- Flector is indicated for the topical treatment of acute pain due to minor strains, sprains, and contusions in adults and pediatric patients 6 years and older.
- Licart is indicated for the topical treatment of acute pain due to minor strains, sprains, and contusions.
- Pennsaid is indicated for the treatment of the pain of osteoarthritis (OA) of the knee(s).
- Solaraze is indicated for the topical treatment of actinic keratoses. Sun avoidance is indicated during therapy.
- Zipsor is indicated for relief of mild to moderate acute pain in adults (18 years of age or older).
- Zorvolex is indicated for management of mild to moderate acute pain and for OA pain.

Limitation(s) of use:
- Cambia is not indicated for the prophylactic therapy of migraine.
- Safety and effectiveness of Cambia is not established for cluster headache, which is present in an older, predominantly male population.

Policy/Criteria
Provider must submit documentation (such as office chart notes, lab results or other clinical information) supporting that member has met all approval criteria.

It is the policy of health plans affiliated with Centene Corporation® that Cambia, Flector, Licart, Pennsaid, Solaraze, Zipsor, and Zorvolex are medically necessary when the following criteria are met:

I. Initial Approval Criteria
   A. Mild to Moderate Acute Pain (must meet all):
      1. Diagnosis of acute pain;
      2. Request is for Flector or Licart, and member meets all of the following (a, b, and c):
a. Age $\geq 6$ years (Flector) or age $\geq 18$ years (Licart);
b. Failure of TWO formulary oral generic NSAIDs (see Appendix B) at up to maximally indicated doses, unless clinically significant adverse effects are experienced or all are contraindicated;
c. Failure of diclofenac gel 1% (Voltaren®) within the past 90 days, unless contraindicated or clinically significant adverse effects are experienced;

3. Request is for Zipsor or Zorvolex, and member meets both of the following (a and b):
   a. Age $\geq 18$ years;
   b. Failure of oral generic diclofenac and one other preferred NSAID (see Appendix B) at up to maximally indicated doses, unless clinically significant adverse effects are experienced or all are contraindicated;

4. Dose does not exceed any of the following (a, b, c, or d):
   a. Flector: 2 topical systems per day;
   b. Licart: 1 topical system per day;
   c. Zipsor: 100 mg (4 capsules) per day;
   d. Zorvolex: 105 mg (3 capsules) per day.

**Approval duration:** 12 months

B. Osteoarthritis Pain (must meet all):
   1. Diagnosis of OA;
   2. Request is for Pennsaid or Zorvolex;
   3. Age $\geq 18$ years;
   4. For Pennsaid requests: Failure of ONE oral generic NSAID plus failure of either diclofenac 1.5% topical solution or diclofenac 1% topical gel, unless clinically significant adverse effects are experienced or all are contraindicated;
   5. For Zorvolex requests: Failure of oral generic diclofenac and one other preferred NSAID at up to maximally indicated doses, unless clinically significant adverse effects are experienced or all are contraindicated;
   6. Dose does not exceed:
      a. Pennsaid: 80 mg (4 pumps) per knee per day;
      b. Zorvolex: 105 mg (3 capsules) per day.

**Approval duration:** 12 months

C. Migraines (must meet all):
   1. Diagnosis of migraine attacks;
   2. Request is for Cambia;
   3. Age $\geq 18$ years;
   4. Failure of rizatriptan orally disintegrating tablets at up to maximally indicated doses, unless contraindicated or clinically significant adverse effects are experienced;
   5. Documentation supports inability to use oral generic diclofenac;
   6. Dose does not exceed 50 mg (1 packet) per day.

**Approval duration:** 12 months

D. Actinic Keratosis (must meet all):
   1. Diagnosis of actinic keratosis;
   2. Request is for diclofenac 3% gel (Solaraze);
3. Age ≥ 18 years;
4. Failure of 5-fluorouracil and imiquimod cream, unless both are contraindicated or clinically significant adverse effects are experienced;
5. Prescribed quantity does not exceed 1 tube per 30 days.

**Approval duration: 90 days**

**E. Other diagnoses/indications**
1. Refer to the off-label use policy for the relevant line of business if diagnosis is NOT specifically listed under section III (Diagnoses/Indications for which coverage is NOT authorized): CP.CPA.09 for commercial and HIM.PHAR.21 for health insurance marketplace.

**II. Continued Therapy**

**A. All Indications in Section I (must meet all):**
1. Currently receiving medication via Centene benefit or member has previously met initial approval criteria;
2. Member is responding positively to therapy;
3. For Solaraze requests: Additional treatment is for a new lesion or to complete initial treatment (up to 90 days);
4. If request is for a dose increase, new dose does not exceed any of the following (a-g):
   a. Cambia: 50 mg per day (1 packet per day);
   b. Flector: 2 topical systems per day;
   c. Licart: 1 topical system per day;
   d. Pennsaid: 80 mg (4 pumps) per knee per day;
   e. Solaraze: 1 tube per 30 days;
   f. Zipsor: 100 mg (4 capsules) per day;
   g. Zorvolex: 105 mg (3 capsules) per day.

**Approval duration: 12 months (up to 90 days for Solaraze)**

**B. Other diagnoses/indications (must meet 1 or 2):**
1. Currently receiving medication via Centene benefit and documentation supports positive response to therapy.

   **Approval duration: Duration of request or 12 months (whichever is less); or**

2. Refer to the off-label use policy for the relevant line of business if diagnosis is NOT specifically listed under section III (Diagnoses/Indications for which coverage is NOT authorized): CP.CPA.09 for commercial and HIM.PHAR.21 for health insurance marketplace.

**III. Diagnoses/Indications for which coverage is NOT authorized:**

**A. Non-FDA approved indications, which are not addressed in this policy, unless there is sufficient documentation of efficacy and safety according to the off-label use policy – CP.CPA.09 for commercial and HIM.PHAR.21 for health insurance marketplace, or evidence of coverage documents.**
IV. Appendices/General Information

*Appendix A: Abbreviation/Acronym Key*
- CABG: coronary artery bypass graft
- FDA: Food and Drug Administration
- NSAID: non-steroidal anti-inflammatory drug
- OA: osteoarthritis

*Appendix B: Therapeutic Alternatives*
This table provides a listing of preferred alternative therapy recommended in the approval criteria. The drugs listed here may not be a formulary agent for all relevant lines of business and may require prior authorization.

Important Reminder

This clinical policy has been developed by appropriately experienced and licensed health care professionals based on a review and consideration of currently available generally accepted standards of medical practice; peer-reviewed medical literature; government agency/program approval status; evidence-based guidelines and positions of leading national health professional organizations; views of physicians practicing in relevant clinical areas affected by this clinical policy; and other available clinical information. The Health Plan makes no representations and accepts no liability with respect to the content of any external information used or relied upon in developing this clinical policy. This clinical policy is consistent with standards of medical practice current at the time that this clinical policy was approved. “Health Plan” means a health plan that has adopted this clinical policy and that is operated or administered, in whole or in part, by Centene Management Company, LLC, or any of such health plan’s affiliates, as applicable.

The purpose of this clinical policy is to provide a guide to medical necessity, which is a component of the guidelines used to assist in making coverage decisions and administering benefits. It does not constitute a contract or guarantee regarding payment or results. Coverage decisions and the administration of benefits are subject to all terms, conditions, exclusions and limitations of the coverage documents (e.g., evidence of coverage, certificate of coverage, policy, contract of insurance, etc.), as well as to state and federal requirements and applicable Health Plan-level administrative policies and procedures.

This clinical policy is effective as of the date determined by the Health Plan. The date of posting may not be the effective date of this clinical policy. This clinical policy may be subject to applicable legal and regulatory requirements relating to provider notification. If there is a discrepancy between the effective date of this clinical policy and any applicable legal or regulatory requirement, the requirements of law and regulation shall govern. The Health Plan retains the right to change, amend or withdraw this clinical policy, and additional clinical policies may be developed and adopted as needed, at any time.

This clinical policy does not constitute medical advice, medical treatment or medical care. It is not intended to dictate to providers how to practice medicine. Providers are expected to exercise
professional medical judgment in providing the most appropriate care, and are solely responsible for the medical advice and treatment of members. This clinical policy is not intended to recommend treatment for members. Members should consult with their treating physician in connection with diagnosis and treatment decisions.

Providers referred to in this clinical policy are independent contractors who exercise independent judgment and over whom the Health Plan has no control or right of control. Providers are not agents or employees of the Health Plan.

This clinical policy is the property of the Health Plan. Unauthorized copying, use, and distribution of this clinical policy or any information contained herein are strictly prohibited. Providers, members and their representatives are bound to the terms and conditions expressed herein through the terms of their contracts. Where no such contract exists, providers, members and their representatives agree to be bound by such terms and conditions by providing services to members and/or submitting claims for payment for such services.
